

ADVERTISING IN MOTION

**ONE STEP
MOBILE ADVERTISING**

INFORM * PROMOTE * ENGAGE * EDUCATE * ADVERTISE

We are proud to introduce our new 7inch displays designed specifically for in-vehicle use. These commercial grade displays feature a sturdy metal enclosure and connect to the headrest via the intuitive steel bracketing system

With these displays you can communicate to your customers or keep them entertained while they ride with you through the optional entertainment package. The displays also act as a great platform to feature local or national advertising. This can be an excellent revenue generator for any cab company!

ONE STEP SOLUTIONS OFFERS A PROFIT SHARE PROGRAM WITH MOBILE ADVERTISING PLATFORM. WE SOURCE ADVERTISING, CONTROL MEDIA AND WILL HANDLE YOUR MOBILE ADVERTISING. JUST DRIVE AND EARN
